About Us...

Pleasant View Baptist College for Ladies has been established to educate ladies that have a desire to provide a strong academic setting in a home school or Christian school. These ladies will not be educated for career purposes but, in contrast, to provide a well-rounded education for today's Christian youth.

Mission Statement

Our purpose is to train ladies to educate Christian youth that excel in today's society. We endeavor to provide ladies with a degree that will:

- Allow them to exemplify the attributes of the virtuous woman.
- Develop professionalism and academic excellence coupled with a structured environment.
- Enable them to teach young men to be competitive in a college and business environment.
- Enable them to teach young ladies to be educated wives and mothers.
- Prepare them to be an asset to their church.

Program of Study

Associate of Science in Christian Education

Our program will offer students a well-rounded degree with an emphasis in education.

Founder and President

The founder and president of PVBCL along with his wife Debra have carried a burden for Christian education for many years. He desires to foster an environment free from today's secular influences, while providing ladies with an irrefutable education. Pastor J. Dale Massengale has served as the founder and pastor of Pleasant View Baptist Church in McQuady Kentucky for over 20 years.

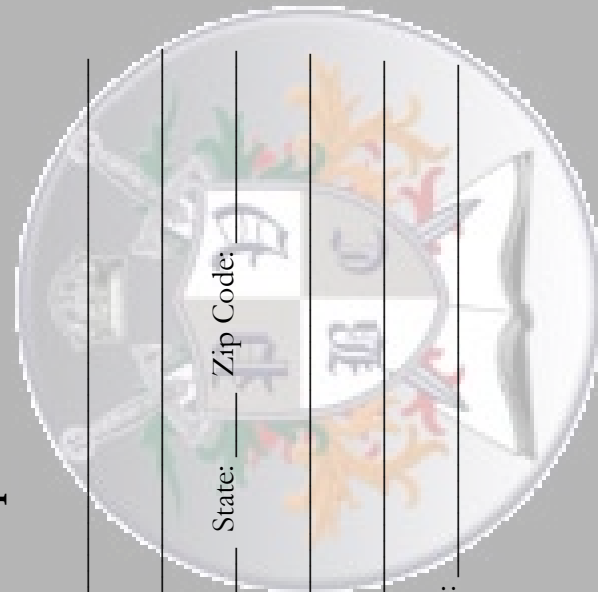

Administration

PVBCL administration is comprised of six women who are dedicated to the education of ladies free from the peer pressure and carnality of today's secular professors and students. They have pursued degrees from prominent universities and colleges.
